

Dear members of the FCC:

I am writing to express my displeasure with Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

This action seems to me to be a gross abuse of their use of the public's airwaves.

I would add that this also should serve an example of the dangers of media consolidation.

This action does not serve the public and I hope this fact will be considered when evaluating whether or not Sinclair Broadcasting should get their license renewed.
Thank you.
